This show is very popular among the tourists visiting these islands.

• Cellular Jail

The Cellular jail, declared a National Memorial, is located at Port Blair which had stood as a mute witness to the most brutal and barbaric atrocities meted out to national freedom fighters, who were incarcerated in this jail. The jail, completed in the year 1906 acquired the name 'Cellular' because it was entirely made up of individual cells for solitary confinement. It originally was a seven-block structure with three stories and a central tower acting as its fulcrum consisting of honeycomb-like corridors. This jail, now a place of pilgrimage for all freedom-loving people draws everyone down memory lane to the years of freedom struggle. The Jail Museum is open from 9:00 am to 12:00 noon and from 1:30 pm to 4:45 pm.
